

MARKET REPORT DECEMBER 2025

Almonds

Facts/Market Data:

On Wednesday 10th December the Position Report for November 2025 was published by the California Almond Board, the last one of the calendar year 2025. The expectations were shipments below last year's record number and new sales at or below last year. There was uncertainty on the receipts, as the tail end of harvest was delayed due to rain. At 220.5 million lbs the number was even lower than expected, down approx. 50 million lbs/18.7% from last November. Year-to-date shipments are now at 824.8 million lbs, down 87 million lbs/9.5%.
