

## **MARKET REPORT NOVEMBER 2025**

### **Almonds**

#### **Facts/Market Data:**

On Thursday 13th November the position report for October 2025 was published by the Almond Board of California. The expectations were shipments at or slightly above last year and good new sales, but with some uncertainty about new sales to India. Finally, the shipment number for October came in at 249 million lbs, down 3.6% on last and therefore lower than expected. Year-to-date shipments are now at 604 million lbs, down 36 million lbs/5.9%.
