

MARKET REPORT FEBRUARY 2026

Almonds

Facts/Market Data:

On Thursday 12th February the position report for January 2026 was published by the Almond Board of California. The expectations were mixed with some expecting good shipments and some less optimistic. New sales were reported to be very good in January, and receipts were again the great unknown.

- Shipments in January are below last year
- Receipts are slightly below than expected, questioning if we will reach 2.7 billion lbs.
- New sales are better than last year
- Commitments for the first time this season.....
