

## **MARKET REPORT JUNE 2026**

### **Almonds**

#### **Facts/Market Data:**

On Thursday, the 11th of June, Position Report for May 2026 was published by the Almond Board of California. With very limited volumes of in-shell almonds left from current crop and quality issues with Australian in-shell almonds, the in-shell market was expected to be a major factor in keeping prices high. Once the new crop is harvested, we can expect California to place larger focus on the in-shell...
